

Ingersoll Rand is pleased to announce a new promotion for the months of [July – December 2009](#):

## **Ingersoll Rand's 2009 Quick Ship Program for Select Type-30 Compressors!**

**Ships in 48 Hours or Less!**

“Quick Ship” models will ship within 48-hours after receipt of order at our Campbellsville, KY facility. Only two factory options are available with “Quick Ship” models. These options, when chosen, will ship with the compressor and will arrive all in one shipment to the specified “ship to” destination specified.

As an added value for the End User (or Mobile Jobber if they choose to keep the items), we will be offering a FREE Start Up Kit with each compressor as well as a free tool of choice, based on the compressor that is selected. The free tool can be selected, based on the compressor sold, from the chart below.
